

Become a leader for change!

Participate in the Justice Project!

What issues do you care about? This summer learn how to use media, advocacy and organizing to make changes for your community!

The Justice Project is an interactive leadership program

for youth. We will use activities, discussions, field trips, radio, games, theater, and film to learn about our communities, our history, and our rights. Join us as we develop new skills and put them to use in our city!

**Session 1:
Meets regularly
July 6th - July 16th
Free and Fun!
Transportation
available!**

*"I learned that we have a voice and we as students have the power to speak out!"
"I feel like now I can do anything!" - - Justice Project Graduates 2009*
